

PURSUING A FUTURE AS A NURSE AT THE VA

ARE YOU AN ASPIRING NURSE WHO'S INTERESTED IN CARING FOR AMERICA'S VETERANS?

If so, the Department of Veterans Affairs (VA) invites you to apply for our Health Professionals Scholarship Program (HPSP). Through the HPSP, we are offering educational assistance in the form of tuition, fees, and a monthly living stipend, to **students pursuing a degree in Nursing (CNA, LPN, RN)**, and after graduating you will receive additional training in order to enhance your skills as a nurse within the VA. In return, you will sign a service agreement to work for the VA for at least 2 years after graduation, and be employed at the Sheridan WY VA Medical Center.

As a VA nurse, you'll be responsible for ensuring that our patients receive the best treatment possible, from the bedside to case management. The work is challenging, as Veterans often require complex care. But ultimately, you'll feel the unmatched fulfillment that comes with improving the lives of people who've proudly served our nation.
